

Wildlife Rehabilitation Course

February 27th—May 7th

Thursdays, 6:00pm - 9:00 pm ~ FTCC's Strickland Center

\$80

This course covers the basic knowledge needed to rehabilitate native wildlife who are injured or abandoned so they can survive and be returned to their natural habitats. You will also learn to answer and respond to calls received on the HelpLine and how to safely transport wildlife to get them the help they need.

After successful completion of the course, you can apply to become a NC licensed rehabilitator. Once your permit is issued, you will work with an experienced call taker, transporter, or rehabber to mentor you during your first season.
